Division Office - Muntinlupa City

Department of Education

Laguerta St., Tensuan Site, Poblacion, Muntinlupa City

Dear **Ms. Gonzales**:

Greetings in St. La Salle!

The De La Salle University (DLSU) is pleased to invite your organization to the **DLSU Innovation and Technology (DITECH) Fair 2026**, which will be held on **23-24 March 2026** at the **DLSU Laguna Campus**.

The DITECH Fair is DLSU's annual flagship innovation event that showcases Lasallian ingenuity, creativity, and research-driven solutions. It serves as a collaborative platform for engagement among academic institutions, industry partners, government agencies, innovators, and other key stakeholders within the innovation ecosystem.

This year's DITECH Fair is organized in line with national and global celebrations of innovation and intellectual property (IP), including **National IP Month** and **World Intellectual Property Day**. DLSU leads the event in collaboration with partner institutions across the **De La Salle Philippines (DLSP) network**.

The theme for DITECH 2026, "**DASH: DLSU Advancing Sports and Health Through IP and Innovation**," highlights the strategic role of intellectual property in enabling advancements in sports, health, and wellness. IP rights, such as patents, trademarks, industrial designs, and copyright, support the protection, commercialization, and dissemination of innovations that enhance performance, healthcare solutions, digital platforms, and related technologies.

To confirm attendance, participants are kindly requested to register for the specific day(s) they intend to attend by accessing the corresponding registration links or by scanning the QR codes provided below:
