February 6, 2026

Dr. Florante C. Marmeto
Chief Education Supervisor
Curriculum Implementation Division
Schools Division Office
Muntinlupa City

Dear **Dr. Marmeto**,

Greetings of peace and solidarity!

De La Salle Santiago Zobel School (DLSZ), a member of De La Salle Philippines and the global network of Catholic educational institutions founded by St. John Baptist de La Salle, remains steadfast in fulfilling the mission entrusted to us by the Catholic Church. Guided by the Gospel teachings of Jesus and the Church's social teachings, DLSZ is committed to meeting the current needs of the educational sector through meaningful partnerships and service-oriented initiatives.

Through the Social Action Office (SAO), DLSZ collaborates with public schools, institutions, and community organizations to promote the exchange of expertise and resources in education, children's rights, community development, skills training, and socio-spiritual growth. In line with this, we respectfully invite the Schools Division of Muntinlupa City to participate in a training session titled **Angat Guro x Project L.I.G.H.T.: Transforming Learning in the Classroom with Purposeful Google Tools and Instructional Strategies on Saturday, March 14, 2026, from 8:00 AM to 4:00 PM at the Alabang Campus**. This is a professional development activity focused on teaching strategies using Google Tools and earning a Google Certification. It is a **collaborative initiative of the DLSZ Education Technology Unit and the Social Action Office**, designed specifically to support and empower our partner public school educators.

The training will be implemented under **Project L.I.G.H.T. (Lasallians Igniting Growth through Holistic Teaching with Technology)**, a mission-driven outreach and mentoring program of the DLSZ Education Technology Unit. Project L.I.G.H.T. seeks to extend the transformative practices of Next Generation Blended Learning (NxGBL) to a wider community of educators, particularly those in partner public schools.

Objectives of the training:

1. To enhance teaching strategies through the effective integration of **Google Tools** in student-centered, technology-integrated, and values-based lessons;
2. To equip participating teachers with the knowledge and skills to successfully take the **Google Certified Educator (GCE) Level I** assessment;
3. To promote professional collaboration and mentorship among teachers, promoting continuous learning and holistic educational practices aligned with Lasallian Core Values.

We are proposing the participation of **20 teachers** from our partner public schools under DepEd Muntinlupa:

- Cupang Elementary School
- Poblacion Elementary School
- Poblacion National High School
- Alabang Elementary School
- Itaas Elementary School

We believe this collaborative training initiative will meaningfully contribute to the professional growth of participating teachers and ultimately benefit the learners they serve. **Final activity details and program flow will be shared upon confirmation of participation.**

We look forward to the opportunity to collaborate with the Schools Division of Muntinlupa City on its shared mission to strengthen education through service, innovation, and solidarity.

For inquiries, contact **Ms. Shirley D. Cruz, Social Action Minister** at **(632) 8771-3579 loc. 568 / 0917-550-0680** or email through **cruzsd@dlszobel.edu.ph**

Thank you for your continued support and partnership.

Yours in St. La Salle,

Mr. Benjamin M. Sazon Jr.
Social Action Office Head
