1. The partnership between the SDO Muntinlupa and private schools is crucial in advancing accessible, inclusive, and high-quality education. Conducting regular engagements with private school leaders provides a structured venue to ensure policy alignment, strengthen public-private collaboration, and uphold education standards across the sector. It allows the clarification of new guidelines and discussion of emerging challenges in school operations and learner support. Through sustained engagement, this partnership reinforces accountability, transparency, and shared commitment toward achieving national education goals and fostering continuous improvement in the delivery of basic education services.

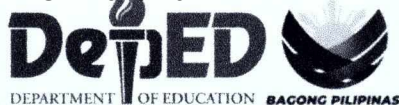

2. In relation to this, the Division organizes the 2026 Private School Summit. The points of discussion during this important engagement are as follows:

- a. Siklab DUNONG Roadmap of SDO Muntinlupa
- b. Disaster Risk Reduction and Boy Scouts of the Philippines
- c. Youth Development and Child Protection Data Management
- d. Sports Program
- e. Festival of Talents
- f. Journalism
- g. Strengthened Senior High School Updates

3. To optimize the financial resource needed for this activity, a registration amount of Four Hundred Pesos (P400.00) shall be charged to the private schools for the food and refreshment provisions.
