**SUBJECT** : **PILOT ADMINISTRATION OF THE LITERACY AND NUMERACY**  
**KNOWLEDGE (LiNK) TESTS**

**DATE** : June 5, 2026

1. The Department of Education (DepEd) remains steadfast in its commitment to strengthening student learning outcomes in literacy and numeracy. In support of this, DepEd is advancing a more coherent and system-wide assessment approach that aligns classroom-based, national, and international assessments to better support teaching and learning. Central to this shift is the development of a harmonized diagnostic assessment system that enables clearer interpretation of learner performance across grade levels and comparability across assessments, providing more meaningful evidence to guide instruction and intervention. This effort also seeks to streamline assessment processes and reduce duplication, thereby easing the workload of teachers while ensuring clearer information on learner progress.
2. In this regard, DepEd will pilot the **Literacy and Numeracy Knowledge (LiNK) Tests** to operationalize a more integrated and harmonized approach to assessment. The LiNK Tests are designed to establish clear linkages across grade levels and competencies, with literacy and numeracy assessments aligned within a common framework to allow consistent interpretation of learner performance over time. By harmonizing assessment design, administration, and reporting, the pilot aims to generate comparable evidence on foundational skills that can be meaningfully interpreted across contexts and used to inform targeted support for learners.
3. Accordingly, all Regional Offices (ROs) shall identify **one (1) pilot elementary school to participate in the LiNK Tests administration for Key Stages 1 and 2 learners**, and **one (1) pilot junior high school for Key Stage 3 learners**, for each Schools Division Office (SDO), in accordance with the selection criteria and guidelines provided in the **Enclosure**. The Key Stage 4 assessment shall be administered to **all senior high schools and all Key Stage 4 learners**.

4. For participating schools, the LiNK Tests shall be administered in lieu of the Comprehensive Rapid Literacy Assessment (CRLA), Philippine Informal Reading Inventory (Phil-IRI), Rapid Math Assessment (RMA), and Senior High School Literacy and Numeracy Assessments (SHS LNA).
5. All SDOs shall submit the names and details of their pilot elementary and junior high schools through the following link: **<https://tinyurl.com/linkpilot>** on or before **June 9, 2026**.
6. Access to the assessment toolkits for Key Stages 1 to 3 shall be provided upon submission of the identified pilot schools, to uphold test integrity and ensure proper administration in accordance with established protocols on the use of assessment materials.
7. The assessment toolkits for Key Stage 4, containing guidelines, test materials, and submission templates, may be accessed through the following links:

Assessment materials shall be used solely for testing purposes. The posting or dissemination of links to these materials through social media announcements is prohibited.
9. These diagnostic assessments shall be administered at the Beginning of School Year (BoSY) consistent with the approved school calendar, as provided in DepEd Order No. 009 s. 2026 [Guidelines on the Implementation of the Three-Term School Calendar in Basic Education]. All concerned offices shall ensure timely completion and submission of required outputs in accordance with the prescribed guidelines. The guidelines for the submission of results and End of School Year protocols shall be released through separate issuances.
10. For purposes of this pilot, coverage of fund utilization in DM-LS-2026-15 [Guidelines in the Utilization of Funds for the Printing and Administration of Diagnostic Assessments] is extended to include Key Stage 4 (KS4). All expenses incurred in the conduct of this pilot administration shall be charged against the Program Support Funds directly released FY 2025 (R.A. 12116) Basic Education Curriculum (BEC) Funds and/or other available local funds, subject to existing budgeting, accounting, and auditing rules and regulations.
