Subject: Invitation to Showcase Student Excellence at Campus Singing Stars Season 1

Dear Dr. Gonzales,

On behalf of **Write Influence Marketing Campaign Services**, we are honored to invite your institution to participate in the inaugural season of **Campus Singing Stars Philippines**. As a premier inter-school vocal solo competition, our mission is to provide a professional and wholesome platform for students from **Grade 1 to Grade 12** to showcase their exceptional musical talents.

We believe your association can link our competition to many aspiring young performers, and **Campus Singing Stars** is uniquely designed to be their ultimate training ground and professional starting point. Here is why this competition is the best platform for your students:

- **Professional Performance Development:** Unlike standard school contests, we provide **professional staging and performance development** opportunities. This environment allows students to experience the standard of a high-caliber music festival, helping them build the confidence and discipline required for a future in the arts.
- **A National Stage for Discovery:** This competition serves as a significant launchpad. With a projected digital reach of over **5 million organic views** across TikTok, Facebook, and Instagram, your students will have their talent showcased to a massive audience, including media partners and industry influencers.
- **Encouraging School Pride:** This is an **inter-school competition** where students represent not just themselves, but the excellence of your institution. We aim to foster a spirit of **positive competition and school pride** through our "School Activation Roadshows" and community-focused campaigns.
- **Wholesome and Educational Environment:** Managed by veteran media practitioners and educators, our event is strictly **family-oriented and brand-safe**. We categorize students into four specific grade-based groups to ensure they compete fairly with their peers while receiving age-appropriate mentorship.

Competition Timeline and Categories: The journey begins with **preliminary pocket events and qualifiers** held on all weekends from **July 26 to August 23** at premier venues like **VISTA MALL Dasmariñas (Cavite) and VISTA MALL Las Piñas**. Top qualifiers will then advance to the prestigious **Grand Finals Music Festival**.

We would welcome the opportunity to conduct a brief **School Activation Roadshow** or provide registration materials to your students. Our team is ready to coordinate with your office to send official memos and letters to parents regarding the audition schedule.
