MEMORANDUM

**IMPLEMENTATION OF CANTEEN-FUNDED SUPPLEMENTARY FEEDING PROGRAM (35%)
IN PUBLIC ELEMENTARY SCHOOLS**

To Assistant Schools Division Superintendent
Chief Education Supervisor, Curriculum Implementation Division
Chief Education Supervisor, School Governance and Operation Division
Public Elementary School Heads / OICs
All Others Concerned

1. In line with the Department of Education's continuing efforts to improve the nutritional status and academic performance of learners, all public elementary schools are hereby directed to implement the Canteen-Funded Supplementary Feeding Program (35%), starting August 2026, which shall cover an accumulative total of at least **120 school days**.
2. The program shall prioritize and cover the following targeted categories of learners:
 - Severely wasted and wasted learners who are not covered by the regular School-Based Feeding Program (SBFP);
 - Learners enrolled under the Academic Recovery and Accessible Learning (ARAL) Program; and
 - School athletes participating in athletic training and sports development activities.
3. In cases where the School-Based Feeding Program (SBFP) already covers all the above-mentioned target learners, schools are authorized and encouraged to utilize the canteen supplementary feeding allocation to purchase fresh fruits as an addition to the meals being given by the SBFP. Furthermore, the additional purchase of black pepper is authorized for procurement and use across the entire duration of the School-Based Feeding Program. In the event that the 35% Canteen Supplementary Feeding Allocation is insufficient to cover all target beneficiaries or the required 120 feeding days, School Heads are advised to engage internal and external stakeholders through the Adopt-a-School Program (ASP) or local partnerships to augment funding and resources.
4. This implementation is in accordance with DepEd Order No. 8, s. 2007 (Revised Implementing Guidelines on the Operation and Management of School Canteens in Public Elementary and Secondary Schools, Section 6.5), which mandates that 35% of the net income from school canteen operations shall be allocated for supplementary feeding program for undernourished pupils.
5. A sample 40-Day Cycle Menu is attached for reference and guidance in meal planning and preparation, ensuring that all served meals are nutritious, safe, culturally appropriate, and compliant with recommended dietary guidelines for school-aged children.
6. School Heads, in coordination with the School Health and Nutrition Personnel, are directed to oversee proper planning, daily recording, beneficiary profiling, and submit monthly accomplishment and monitoring reports to the Division Office.
