Dear Dr. Gonzales,

PAX!

We respectfully reiterate our request for the endorsement of the Career Development Support Program (CDSP) for School Year 2026–2027 to facilitate its implementation in public schools of the City of Muntinlupa.

This request is made pursuant to Republic Act No. 8759, otherwise known as the Public Employment Service Office (PESO) Act, particularly Section 5(e), which mandates PESOs to provide employment or occupational counseling, career guidance, mass motivation, and values development activities. It is likewise anchored on the Department of Labor and Employment (DOLE) Department Order No. 245, s. 2024, or the Implementing Guidelines of the Career Development Support Program (CDSP).

As previously communicated, the Public Employment Service Office (PESO), in partnership with the Department of Labor and Employment (DOLE), intends to conduct the annual Career Development Support Program (CDSP) for Grade 10 students. The program aims to guide students in making informed Senior High School (SHS) track and career choices aligned with their interests, abilities, and labor market opportunities.

In this regard, we respectfully follow up on our request for your office's endorsement to enable us to coordinate with the concerned public schools. We also respectfully request the issuance of a Certification on the total Grade 10 student population in public schools for School Year 2026–2027, duly signed and affixed with the official dry seal, as part of the program documentation and DOLE compliance requirements.

For your convenience, we have attached a copy of our previous request, the proposed implementation schedule, and the certification previously issued by your office for reference.

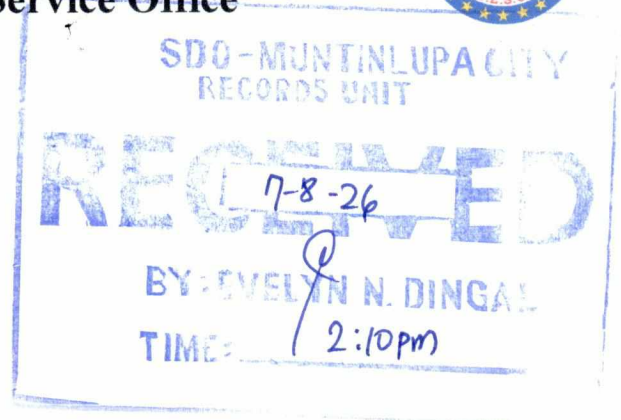

We trust in your continued support and partnership in advancing the career development of our youth.

Should you have any questions, please contact Ms. Jaycell Del Monte at 0947-4733-726 or email us at peso.muntinlupa.cgcd@gmail.com.

We sincerely appreciate your support and we are looking forward to many more years of co-creating innovative career programs for our students.

Yours truly,

Dear Dr. Gonzales,

PAX!

As part of the continuing efforts of the Public Employment Service Office (PESO), in partnership with the Department of Labor and Employment (DOLE), to deliver accessible and meaningful career guidance initiatives for the youth, we respectfully inform the proposed implementation of the Career Development Support Program (CDSP) for School Year 2026–2027.

The CDSP is an annual initiative aimed at assisting Grade 10 students in making well-informed decisions regarding their chosen Senior High School (SHS) track. The program focuses on aligning students’ interests, abilities, and career aspirations with current labor market trends to better prepare them for future employment opportunities.

Last year, PESO successfully implemented the program, benefiting a total of 5,456 Grade 10 students from public and selected private schools. Building on this success, the Office aims to reach approximately 5,500 Grade 10 students this year from public and selected private educational institutions across the city.

In line with this, we respectfully seek the endorsement and support of your good office to ensure the smooth and coordinated implementation of the program in all concerned schools. Considering the current transition and adjustments brought about by the implementation of the three-semester system of the Department of Education (DepEd), we would likewise appreciate your guidance on the most appropriate schedule or period for the conduct of the program to minimize disruption to academic activities and maximize student participation.

Furthermore, may we also request the issuance of a certification indicating the total population of Grade 10 students from public schools for School Year 2026–2027, duly signed and affixed with the official dry seal. This certification is a necessary requirement for program documentation and compliance with the Department of Labor and Employment (DOLE), particularly in relation to the Search for the Best PESO Award.

Kindly refer to the list of schools below. The schedule of activities shall be finalized and coordinated in close consultation with the guidance counselors or designated focal persons of the respective
