Governance and Operations Division of the Schools
City of Muntinlupa

Dear Dr. Gonzales,

Greetings of peace!

South Mansfield College is a private educational institution committed to developing learners who excel academically while embodying strong character and values. For six years, the institution has remained steadfast in its mission of nurturing young people to become responsible citizens, servant leaders, and catalysts for positive change in their communities.

In line with this commitment, South Mansfield College will conduct its **6th Leadership Summer Camp on August 29, 2026, from 8:00 a.m. to 4:00 p.m.**, with the theme **"Lead for Change: Empowering Youth to Achieve the Sustainable Development Goals."**

The Leadership Summer Camp is a one-day learning experience open to Grade 10 students from both public and private schools. The program is designed to strengthen students' leadership competencies through engaging workshops, collaborative activities, design thinking challenges, and discussions centered on the United Nations Sustainable Development Goals (SDGs). It aims to inspire participants to become innovative problem-solvers, responsible decision-makers, and compassionate leaders who are prepared to create meaningful and sustainable change in their schools and communities.

In this regard, we respectfully seek your support in disseminating this invitation to the public and private secondary schools under your supervision. We believe that the participation of students from diverse schools across Muntinlupa City will enrich the learning experience and foster collaboration among future leaders.

GOALS**

RATIONALE:

For six consecutive years, South Mansfield College has remained committed to developing young leaders equipped with the knowledge, skills, and values needed to make a meaningful difference in society. As we celebrate the 6th Leadership Summer Camp, we continue to provide transformative learning experiences that empower students to become purpose-driven leaders. Guided by the theme, **"Lead for Change: Empowering Youth to Achieve the Sustainable Development Goals,"** and anchored on the United Nations Sustainable Development Goals (SDGs), the camp aims to inspire young people to understand community challenges, develop sustainable solutions, and recognize that true leadership is demonstrated through purpose, service, collaboration, and action.

OBJECTIVES:

- Develop essential leadership competencies by strengthening their self-awareness, communication, collaboration, and decision-making skills through interactive and experiential learning activities.
- Deepen their understanding of the Sustainable Development Goals (SDGs) and recognize the role of young leaders in promoting sustainable, inclusive, and responsible communities.
- Design and present an action-oriented project or initiative that addresses a school or community challenge using Design Thinking and aligns with one or more Sustainable Development Goals.
