AUG 11 2026

Advisory No. 091, s.2026

August 11, 2026

In compliance with DepEd Order (DO) No. 8, S. 2013

This advisory is issued for the information of DepEd Officials,
Personnel/Staff, as well as the Concerned Public.

**LEAGUE OF INNOVATIVE NATIONAL KNOWLEDGE SEEKERS (LINKS),
INC. ONLINE COMPETITIONS**

Attached is a letter from MR. RUBEN JR. B. INFUESTO, LINKS President, to be held on August 30, 2026; October 18, 2026; November 29, 2026; January 17, 2027; February 7, 2027; and April 2027; the above-mentioned title, content of which is self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption of classes policy stipulated in DepEd Order No. 9, s. 2005 entitled "Instituting Measures to Increase Time-On-Task and Ensuring Compliance Therewith."

Moreover, schools are reminded of the "No Collection and No Selling of Tickets Policy" stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

SUBJECT: REQUEST FOR DEPED ADVISORY/ENDORSEMENT FOR THE UPCOMING LEAGUE OF INNOVATIVE NATIONAL KNOWLEDGE SEEKERS (LINKS), INC. ONLINE COMPETITIONS

Dear Ma'am:

Warm greetings from League of Innovative Knowledge Seekers (LINKS), Inc.!

The League of Innovative Knowledge Seekers (LINKS), Inc., a non-stock, non-profit organization duly registered with the Securities and Exchange Commission (SEC), under registration number 2025090217205-06, is steadfast in its commitment to elevating the quality of Mathematics, English, Science, Social Studies, Scholastic Ability, MAPEH, Filipino education throughout the country.

In pursuit of this advocacy, we are honored to formally ask for an advisory for all the schools under your jurisdiction to voluntarily take part in the following online competitions:

1. National Mathematics Tournament (NMT)
2. National English Tournament (NET)
3. National Science Tournament (NSciT)
4. National Social Studies Tournament (NSST)
5. National Scholastic Ability Tournament (NSAT)
6. National MAPEH Tournament (NMAT)
7. National Filipino Tournament (NFT)
8. National Bible Knowledge Tournament (NBKT)

The competitions cater students from Kindergarten to Senior High School throughout the country. Here is the complete list of LINKS competitions for this S.Y 2026-2027

These competitions are designed to foster academic excellence, critical thinking, and holistic development among Filipino learners. They are open to both public and private schools, with various levels and categories suited for different grade levels.

We respectfully seek for DEPED Advisory/endorsement and support in encouraging participation from different schools in your division. The official guidelines, mechanics, and registration details are enclosed for your perusal.

For the latest updates and announcements, we invite you to visit our official Facebook page: <https://www.facebook.com/LeagueofInnovativeNationalKnowledgeSeekersLINKS>. Should you require any further information or clarification, please contact us through the following: Email: nmt.information.est2025@gmail.com/09071648146.

We deeply appreciate your unwavering support in promoting quality education and academic excellence. We look forward to your favorable response and to the active involvement in these meaningful academic endeavors.

Thank you very much for your fervent support!

Very truly yours,

RUBEN JR. B. INFUESTO
LINKS President

LIST OF COMPETITIONS:

EST. 2025

NATIONAL MATHEMATICS TOURNAMENT (NMT)

I. Overview

The National Mathematics Tournament (NMT) is a nationwide academic competition designed to promote excellence in Mathematics among Filipino learners. Open to students from Kinder 1 to Grade 12 enrolled in both public and private schools across the Philippines, NMT aims to provide a platform for young mathematicians to challenge their problem-solving skills, analytical thinking, and mathematical creativity.

II. Objectives

The NMT primarily aims to:

- deepen understanding on Mathematical concepts beyond curriculum;
- sharpen problem – solving skills (critically, logically, creatively) under pressure;
- improve student's performance and boost self-esteem;
- prepare for advanced study; and
- connect students with like-minded peers, mentors, and academic communities

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;
- Two mobile phones with internet access — one assigned for the online test and the other for Zoom monitoring;
- A combination of a desktop computer (with internet access) and a mobile phone for monitoring purposes.

IV. Test Format

The competition consists of a 30-item multiple-choice examination with a time limit of one hour and 30 minutes. Each correct response is valued at 5 points, resulting in a maximum possible score of 150 points.

V. Participant Categorization

Participants will be grouped according to their grade level. Only students who are officially enrolled in schools within the Philippines are eligible to participate in the competition.

The grade-level categories are as follows:

LINKS

LIST OF COMPETITIONS:

EST. 2025

- Kindergarten 1 & 2
- Grade 1
- Grade 2
- Grade 3
- Grade 4
- Grade 5
- Grade 6
- Grade 7
- Grade 8
- Grade 9
- Grade 10
- Grades 11 and 12

VI. Topics Covered

The competition covers five (5) distinct categories, namely: Algebra, Combinatorics, Geometry, Logical Thinking, and Number Theory.

VII. Awards

The Awards Committee will recognize participants based on their scores as follows:

Points Range	Award	Recognition
130 – 150	Gold Medal	Medal and certificate
100 – 125	Silver Medal	Medal and certificate
50 – 95	Bronze Medal	Medal and certificate
20 – 45	Merit	Certificate
0 – 15	Participation	E- Certificate

Additionally, the coach of the winning student will be presented with a Certificate of Recognition as the winning coach and the TOP PERFORMING SCHOOL will be given with a plaque of recognition.

NATIONAL ENGLISH TOURNAMENT (NET)

I. Overview

The National English Tournament (NET) is an online academic competition open to all bona fide students from Kinder 1 to Grade 12 who are officially enrolled in schools across the Philippines. This competition is designed to strengthen and showcase participants' competencies in the English language, fostering a deeper understanding and mastery of linguistic principles, particularly in the areas of grammar, vocabulary, reading comprehension, and writing.

II. Objectives

The NET primarily aims to:

- improve language skills (grammar, vocabulary, reading comprehension, and writing);
- develop communication skills; strengthens both written and verbal expression;
- elevate critical thinking skill;
- boost self- confidence (public speaking, writing, or performing in front of an audience); and
- enhance creativity and build discipline.

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;
- Two mobile phones with internet access — one assigned for the online test and the other for Zoom monitoring;
- A combination of a desktop computer (with internet access) and a mobile phone for monitoring purposes.

IV. Test Format

The competition will consist of a 30-item multiple-choice examination with a time limit of one hour and 30 minutes. Each correct response is valued at 5 points, resulting in a maximum possible score of 150 points.

V. Participant Categorization

Participants will be grouped according to their grade level. Only students who are officially enrolled in schools within the Philippines are eligible to participate in the competition.

LIST OF COMPETITIONS:

EST. 2025

The grade-level categories are as follows:

- K- 2
- Grade 1
- Grade 2
- Grade 3
- Grade 4
- Grade 5
- Grade 6
- Grade 7
- Grade 8
- Grade 9
- Grade 10
- Grades
11 and
12

VI. Topics Covered

The contest addresses a comprehensive set of topics essential to the development of language proficiency and literacy skills.

Grammar

Grammar forms the foundation of clear and effective communication. The program offers an in-depth focus on grammatical rules and structures, including:

- Subject-verb agreement
- Verb tenses and usage
- Prepositions and conjunctions
- Punctuation and sentence structure
- Pronouns and their antecedents
- Parallelism and sentence coherence
- Direct and reported speech
- Figures of speech and stylistic elements

Mastery of grammar is prioritized to ensure both accuracy and fluency in language use.

Vocabulary

Vocabulary development is essential for effective communication and comprehension. The program provides a comprehensive focus on various aspects of vocabulary, including:

- Synonyms and antonyms
- Context clues for determining word meanings
- Idiomatic expressions and their usage
- Word choice and nuance
- Multiple-meaning words
- Collocations and common phrases
- Academic and high-frequency vocabulary

LINKS
LEAGUE OF
INNOVATIVE
NATIONAL
KNOWLEDGE
SEEKERS

League of Innovative National Knowledge Seekers – LINKS, Inc.

LIST OF COMPETITIONS:

EST. 2025

Building a strong vocabulary foundation is emphasized to enhance both expressive and receptive language skills.

Reading Comprehension

This component cultivates students' ability to understand and analyze texts. Key skills developed include:

- Identifying main ideas and supporting details
- Making inferences
- Summarizing content
- Recognizing tone and mood
- Critical analysis of texts

Through varied reading materials, students enhance their interpretative and evaluative skills.

Writing

Writing instruction focuses on enabling students to clearly and effectively express their thoughts in written form. This includes:

- Organizing ideas logically in sentences and paragraphs
- Applying correct grammar and vocabulary
- Writing for different purposes and audiences
- Focusing on mechanics such as spelling and punctuation

Spelling

Spelling proficiency is fundamental to effective written communication. The program places special emphasis on developing accurate spelling skills through:

- Recognition and correct spelling of high-frequency words
- Understanding of phonetic patterns and rules
- Mastery of common prefixes, suffixes, and root words
- Practice with irregular and challenging word forms
- Application of spelling rules in writing
- Use of spelling strategies such as chunking and syllabication

Emphasis is placed on building learners' confidence and precision in spelling to support overall literacy development.

VII. Awards

The Awards Committee will recognize participants based on their scores as follows:

Points Range	Award	Recognition
130 – 150	Gold Medal	Medal and certificate
100 – 125	Silver Medal	Medal and certificate
50 – 95	Bronze Medal	Medal and certificate
20 – 45	Merit	Certificate

NATIONAL SCIENCE TOURNAMENT (NSciT)

I. Overview

The National Science Tournament (NSciT) is a nationwide academic competition that aims to foster scientific curiosity, critical thinking, and research oriented learning among Filipino students. Open to learners from Kinder 1 to Grade 12 in both public and private schools across the Philippines. NSciT provides a dynamic platform for students to explore and demonstrate their knowledge in various scientific disciplines.

II. Objectives

The NSciT primarily aims to:

- promote deeper understanding of science concepts beyond the classroom;
- encourage logical reasoning, experimentation, and creative solutions;
- provides opportunities for awards, scholarships, and future academic prospects;
- connect students with peers, educators, and professionals nationwide;
- highlight the school's commitment to science education; and
- encourage young minds to pursue research, technology, and scientific careers.

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;
- Two mobile phones with internet access — one assigned for the online test and the other for Zoom monitoring;
- A combination of a desktop computer (with internet access) and a mobile phone for monitoring purposes.

- Grade 7
- Grade 8
- Grade 9
- Grade 10
- Grades 11 and 12

VI. Topics Covered

The topics encompass a broad range of scientific disciplines designed to challenge and develop the analytical and problem-solving skills of participating students. The topics covered include fundamental and advanced concepts in the following areas:

Biology covers topics such as cell structure and function, genetics, ecosystems, human anatomy and physiology, and biodiversity, aiming to deepen students' understanding of living organisms and their interactions within the environment.

Chemistry addresses fundamental concepts including atomic structure, chemical bonding, states of matter, chemical reactions, the periodic table, and solutions, providing a solid foundation in the properties and behavior of matter.

Physics focuses on principles such as motion and forces, energy transformation, waves and sound, electricity and magnetism, and simple machines, enhancing students' grasp of physical laws and their practical applications in everyday life.

Environmental Science examines ecosystems, conservation efforts, climate change, pollution, and sustainable development, fostering awareness of environmental challenges and encouraging responsible stewardship of natural resources.

Astronomy explores celestial bodies, the solar system, stars and galaxies, space exploration, and cosmology, inspiring curiosity about the universe and humanity's place within it.

NATIONAL SOCIAL STUDIES TOURNAMENT (NSST)

I. Overview

The National Social Studies Tournament (NSST) is a nationwide academic competition designed to promote civic awareness, historical understanding, and critical thinking among Filipino learners. Open to students from Kinder 1 to Grade 12 in both public and private schools across the Philippines. NSST seeks to foster a deeper appreciation of the country's social, cultural, political, and economic heritage within a global context.

II. Objectives

The NSST primarily aims to:

- deepen understanding of history, culture, geography, economics, and current events;
- develop the ability to evaluate issues, form opinions, and solve social problems;
- enhance debating, speaking, and presentation skills;
- strengthen social studies programs and teaching practices;
- inspire students to be socially responsible and engaged citizens ; and • promote appreciation of heritage, culture, and values.

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;

NATIONAL SCHOLASTIC ABILITY TOURNAMENT (NSAT)

I. Overview

The National Scholastic Ability Tournament (NSAT) is a nationwide academic competition designed to assess and enhance the mathematical, logical, verbal, and abstract reasoning abilities of Filipino learners. Open to students from Kinder 1 to Grade 12 in both public and private schools across the Philippines. NSAT aims to cultivate academic excellence by challenging students in core scholastic competencies essential for success in school and beyond.

II. Objectives

The NSAT primarily aims to:

- develop students' mathematical problem-solving and quantitative reasoning skills;
- strengthen logical thinking and analytical decision-making abilities;
- enhance verbal comprehension, vocabulary, and language-based reasoning;
- improve abstract thinking, pattern recognition, and conceptual understanding;
- promote critical thinking, accuracy, and speed in academic tasks; and
- encourage confidence, discipline, and excellence in scholastic performance.

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;

NATIONAL FILIPINO TOURNAMENT (NFT)

I. Overview

The National Filipino Tournament (NFT) is a nationwide academic competition designed to promote mastery of the Filipino language, literature, culture, and national identity among Filipino learners. Open to students from Kinder 1 to Grade 12 in both public and private schools across the Philippines, the NFT seeks to cultivate a deeper appreciation of Philippine linguistic heritage, literary masterpieces, and cultural values in a modern context.

II. Objectives

The NFT primarily aims to:

- deepen understanding of Filipino grammar, vocabulary, and rhetoric.
- foster appreciation and critical analysis of classical and contemporary Philippine literature.
- enhance reading comprehension, analytical skills, and linguistic competence in the national language.
- strengthen Filipino language programs and instructional practices in schools.
- inspire pride in national identity, heritage, and socio-cultural values.
- promote the usage and development of Filipino as a tool for nation-building and unity.

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;

NATIONAL BIBLE KNOWLEDGE TOURNAMENT (NBKT)

I. Overview

The National Bible Knowledge Tournament (NBKT) is a nationwide academic and faith-based competition designed to promote biblical literacy, Christian values, historical context, and spiritual grounding among young learners. Open to students from Kinder 1 to Grade 12 in both public and private schools across the Philippines, the NBKT seeks to cultivate a deeper understanding of Holy Scripture, God's salvation history, and moral principles in a modern context.

II. Objectives

The NBKT primarily aims to:

- deepen understanding of Old and New Testament narratives, teachings, and doctrines.
- foster appreciation and critical reflection on biblical history, parables, and wisdom literature.
- enhance scripture memorization, contextual analysis, and moral reasoning.
- strengthen value formation and Christian education programs in educational institutions.
- inspire spiritual growth, ethical character, and faith-driven leadership among youth.
- promote the application of biblical truths in everyday life and communitybuilding.

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;

The National Bible Knowledge Tournament encompasses a wide range of biblical themes essential for understanding faith, moral living, and God's word. The competition aims to develop students' critical thinking, spiritual awareness, and analytical skills in biblical studies through the following core areas:

- Old Testament History and Literature (Creation, Patriarchs, Exodus, Prophets, and Kings)
- New Testament History and Literature (The Life and Ministry of Jesus Christ, the Gospels, and the Early Church)
- Parables and Teachings of Jesus (Sermon on the Mount, Miracles, and Moral Lessons)
- Scripture Memorization and Context (Key Verses, Psalms, and Wisdom Literature)
- Biblical Geography and History (Lands, Cultures, and Timelines of the Bible)
- Christian Ethics and Applied Faith (Living the Commandments, Christian Values, and Modern Application)

Participants are challenged to demonstrate their mastery and practical application of biblical knowledge, fostering a deeper appreciation of spiritual values, personal integrity, and moral responsibility in society.

NATIONAL MAPEH TOURNAMENT (NMAT)

I. Overview

The National MAPEH Tournament (NMAT) is a nationwide academic competition designed to promote holistic development, creativity, and wellness among Filipino learners through Music, Arts, Physical Education, and Health (MAPEH). Open to students from Kinder 1 to Grade 12 in both public and private schools across the Philippines. NMAT aims to cultivate artistic expression, physical fitness, health awareness, and appreciation of culture as essential components of lifelong learning.

II. Objectives

The NMAT primarily aims to:

- enhance students' skills and knowledge in music, arts, physical education, and health;
- develop creativity, self-expression, and performance confidence;
- promote physical fitness, healthy lifestyles, and personal well-being;
- strengthen appreciation of Filipino and global culture through artistic and physical activities;
- encourage teamwork, discipline, and sportsmanship; and
- support the enrichment of MAPEH programs and teaching practices in schools.

III. Minimum Requirement on Equipment/Gadget/IT Resources

Participants may use any of the following device setups, provided that all options include a stable high-speed internet connection:

- A laptop equipped with a functional camera and audio;
- A desktop computer with a connected digital camera and audio capability;
- Two mobile phones with internet access — one assigned for the online test and the other for Zoom monitoring;
- A combination of a desktop computer (with internet access) and a mobile phone for monitoring purposes.

IV. Test Format

The competition consists of a 30-item multiple-choice examination with a time limit of one hour. Each correct response is valued at 5 points, resulting in a maximum possible score of 150 points.

V. Participant Categorization

Participants will be grouped according to their grade level. Only students who are officially enrolled in schools within the Philippines are eligible to participate in the competition.

LIST OF COMPETITIONS:

EST. 2025

The grade-level categories are as follows:

- Kindergarten 1 & 2
- Grade 1 • Grade 2 • Grade 3
- Grade 4 • Grade 5 • Grade 6 • Grade 7 • Grade 8
- Grade 9
- Grade 10
- Grades 11 and 12

VI. Topics Covered

The National MAPEH Tournament (NMT) encompasses a wide range of topics essential for promoting holistic development, creativity, and well-being through Music, Arts, Physical Education, and Health. The competition aims to develop students' physical skills, artistic abilities, health awareness, and personal discipline through the following core areas:

- Music (rhythm, melody, instruments, and musical appreciation)
- Arts (visual arts, design, creativity, and cultural arts)
- Physical Education (movement skills, fitness, sports, and games)
- Health Education (personal health, nutrition, safety, and wellness)
- Lifestyle and Well-being Practices

Participants are challenged to demonstrate their skills, knowledge, and application of MAPEH concepts, fostering physical fitness, creative expression, healthy living, and appreciation of culture as essential elements of lifelong development.

VII. Awards

The Awards Committee will recognize participants based on their scores as follows:

Points Range	Award	Recognition
130 – 150	Gold Medal	Medal and certificate
