Proposal Letter - DepEd Muntinlupa.pdf;

You don't often get email from pchss.alabang@gmail.com. [Learn why this is important](#)

Dear Sir/Madam,

I hope this message finds you well.

On behalf of Psych Counseling and Health Support Services – Alabang, we would like to express our interest in establishing a partnership with the Department of Education – Schools Division Office of Muntinlupa.

Our organization is committed to promoting mental health and psychological well-being through comprehensive services, including psychological assessment, individual counseling, mental health education, psychosocial support programs, and capacity-building activities for students, parents, teachers, and school personnel.

We believe that collaborating with DepEd Muntinlupa will strengthen efforts to promote mental wellness and provide accessible psychological support within the school community. We would be honored to discuss opportunities for partnership and explore how our services can complement your existing mental health and learner support initiatives.

Should this proposal be of interest, we would appreciate the opportunity to meet with your office at your convenience to further discuss possible areas of collaboration.

Thank you for your time and consideration. We look forward to the possibility of working together in support of the mental health and well-being of the learners, educators, and families in Muntinlupa.

Gentle Beginnings!

We are **Psych Counseling and Health Support Services**, a trusted and comprehensive provider of psychological care and support. With four branches located in **Calamba City, Laguna; San Pablo City, Laguna; Tanauan City, Batangas; and Alabang, Muntinlupa City**, we are committed to making quality mental health services more accessible to our communities.

In today's educational landscape, mental health plays a vital role in students' academic success, behavior, and overall well-being. Schools are not only centers for learning but also environments where students develop emotionally and socially. Addressing mental health concerns early helps improve concentration, resilience, interpersonal relationships, and academic performance—while also reducing risks such as anxiety, depression, and behavioral difficulties. Through proactive support and intervention, schools can foster a healthier, more supportive learning environment for both students and staff.

Psych Counseling and Health Support Services operates legally and ethically under the supervision of the Professional Regulatory Board of Psychology of the PRC and fully complies with all requirements stipulated under Section 7, Article IV of Republic Act No. 10029, also known as the *Philippine Psychology Act of 2009*. This reflects our commitment to upholding the highest standards of professionalism and integrity in delivering our services.

Our clinic offers a wide range of services, including:

- **Online and Face-to-Face Consultations** tailored to meet various individual needs
- **Psychotherapy Sessions** for individuals experiencing mental health concerns
- **Mass Psychological Assessments** for educational purposes
- **Neuropsychological Assessments** for employment and clinical evaluation purposes
- **On-the-Job Training (OJT)** opportunities for Psychology students
- **Forensic Psychological Assessments** (e.g., annulment, VAWC, adoption, and other court-related reports)
- **Workshops and Seminars** to promote mental health awareness, resilience, and essential life skills
- **Referral and Collaborative Services** with medical and allied health professionals

As part of our commitment to building strong partnerships with educational institutions, we are pleased to offer **special discounted rates** exclusively for partner schools upon the signing of a **Memorandum of Agreement (MOA)**. These are not our standard fees but are designed to support your programs and the individuals you serve:
